Tung Shan Pen Co., LTD. (T.S.P.) was found originally Taichung, Taiwan (R.O.C.) in 1994. It progressively took over the Taiwan market as it grew to the leading Precision Investment Casting Corporation in Taiwan. In October, 2002, T.S.P. decided to move on to global supply chain. Vietnam plant one then has been built, and named it Tung Shan Pen VN CO., LTD. In July 2008, the second plant two in Vietnam, Tung Shan Pen VN 2 Co., LTD. was opened. T.S.P. specializes producing stainless steel plumbing hardware such as fittings and valves in different grades as well as handling variety of customized order request. Now, T.S.P. has become one of the most professional stainless steel casting producers in Vietnam. Our products are exported to Japan, Taiwan, Vietnam, Canada, and the United States. T.S.P. possesses many experienced professionals and specialists. Therefore, T.S.P. establishes mutual relationship with companies in the same field by cooperation and exchanging techniques for many years. In production, T.S.P. has developed detailed and standardized processes, advanced quality control procedures, and owned many delicate types of equipment such as spectrometer. We have never stopped developing our professionalism to keep up with the fast changing world. We have also created a complete system of quality guarantee system to present

our absolute respect to clients. T.S.P.'s core business beliefs are the creativity, high quality, and excellent reputation. We use advanced techniques, rigid management, superior quality, and high-standard service to earn support and respect among clients. Through years of work, we have grown to provide wide variety of products. We are a fast growing corporation with in-depth professional knowledge and challenging spirit. We would like to provide our service to you and be your most sincere friend on your way to success.
