At Infinique, we focus on providing high quality products for a wide range of structured cabling and video surveillance solutions that help our customers realize the true business value. For close to a decade, innovation and excellence in quality have been the driving force behind Infinique's success. The end-to-end solutions strategy gives our customers the flexibility to deploy our products on projects of any size. Our company is led by experienced technology professionals who are committed to quality and customer service excellence. With strategically located offices in North America and Middle East, Infinique's customers are guaranteed to receive unconditional service and support from a team of diligent and seasoned professionals. Infinique envisions continuing to develop product lines of high quality, reliability and rich features that provide true value to its customers.

Free Zone (if any): Sharjah Airport International Free Zone
