

Grinding steel balls and grinding rods for mining

250217

China

Phone: +86-13176415995

We are one leading professional manufacturer and exporter of Grinding steel balls and Grinding steel Rods for mining industries in China. The annual output is 150 000 metric tons. Our products are exported to over 20 countries and regions in the world, such as Africa, America, Australia and Asia etc. Our products and factory have obtained the certificates of ISO9001 and ISO14001. We produce grinding balls through automatic rolling forged production lines and have the strict quality control system in the process. Our main products: 1. Forged grinding steel balls: 20mm to 150mm in diameter 2. Low, middle, high chrome casting grinding media balls: 20mm to 120mm 3. Tempered Grinding rods: 50mm to 100mm in diameter. We will supply high quality products, timely delivery and competitive price. Should any interest with any of our products, we'd like to offer the price as per your request. Thanks and best regards, Wendy Shandong Huamin Steel Ball Joint-Stock Co., LTD
