Orchid Tobacco Machinery is specialize in cigarette manufacturing, supply Cigarette Making machines, Packing Machinery, Spares and related services to the tobacco industry in Dubai and Asia, since 1987. Orchid Tobacco Machinery Dubai is composed of a highly skilled and focused group of individuals striving to deliver valuable total solutions to our clients. We are innovative accessible and affordable in our endeavors, in both the national and international fields. Orchid’s personnel are recognized as more than consultants committed to proving expert advice. We believe long lasting and mutually beneficial relationships with our clients by maximizing human resources to offer multidimensional services to our valued customers. In 1970s, Asia’s independent cigarette factories used outdated equipment to the extent that some processes were even carried out manually. To accomplish their goal of modernization, we took the initiative to offer them modern equipment. Within a very short time we captured a big share in the market through our dedication. Orchid Tobacco is a leading cigarette manufacturer or supplier machinery company in Dubai that is producing the genuine equipped machinery. These machines are designing according to the client’s requirements. So they can get their quality production of cigarettes in tens of thousands per hour.
