United Arab Emirates

Phone: 971 600522212

Better Homes LLC is the largest realtor offering complete property management residential and commercial sectors in UAE and Middle East. It was established in 1986 by Linda Mahoney. The company started its operations from villa located in Jumeriah. Its qualified real estate agents and area experts provide complete services for buying and renting properties across all seven emirates in UAE. Local residents, expats as well as local and global investors can avail our services. Home seekers and entrepreneurs can search through Better Homes site to find suitable accommodation or office space according to their needs.
