Company Formation & Nominee Directorships - We are experienced in setting up business in the UAE and license renewals. Our nominee directors are trustworthy and will work with the highest level of integrity and confidentiality. Enterprise Risk Management- We assist in limiting your legal exposure by internal process reviews, provide advice on improvements to be made to the way you do business with third parties to minimise business, financial and other risks. Compliance - Providing advice and guidance to ensure that your business is operated within the regulations of the UAE. Intellectual Property Rights Management - We are able to assist you in managing your intellectual property rights. Franchising - We offer practical and commercial advice, guidance and assistance on running a franchise business in the UAE. We assist with evaluating opportunities, setting up a franchise business, licensing etc. Introductions to Investors - We are able to arrange introductions to angel investors, crowd funding companies, venture capitalists and provide support throughout the process of seeking funding for your business. We also assist with engaging Emirati sponsors, service agents and franchise agents.
