Crystal Galaxy is a young and vibrant business firm with vast experience in the art of making exclusive & innovative high-end custom-built handcrafted crystal products, catering to every corporate or individual demand. Our products fulfill every need of a crystal connoisseur: Arabian Masterpieces, Architectural Edifices, Awards & Trophies, Sports Mementos, Object Miniatures, Desk Top Pieces, Glass Etches, 3D Lasers, Vase and Glassware. Discover our custom-built masterpieces designed to our client's specifications. We bring you the Arabic & European designs through sheer dedication on getting the better-end quality at affordable price. Our respected portfolio extends all over GCC and Middle East market. Crystal Galaxy is also focusing on bringing the state-of-the-art laser technology. Our craftsmanship includes highly skilled master craftsmen with more than a decade of experience. Our in-house research and development team projects on getting the innovative designs & ideas to craft the latest in international and Arabic design. Perhaps, in day to come, our plan to boost our company's image to a higher stand in the global market will transpire through our presence in the international business arena. We believe this complex, without your honorable support.
