Canadian Garage Door NW Calgary - About Us  
At Canadian Garage Door Repair Calgary our goal is to provide you with excellent service to ensure that you receive the highest quality work at a fair price. We will guarantee your satisfaction with our work. As one of the few local service providers, versus one of the impersonal, large chain companies, we can avoid the higher overhead costs and deliver an equivalent service at a lower price. More value for you and more money left in your pocket! Our service technicians work to the highest industry standards when installing or maintaining the garage door. Once you have educated yourself on the benefits of having your garage door either replaced or maintained to like-new conditions, you need to contact us to come and give you an estimate. Or, you can e-mail us for an estimate if you're too busy to call right now and we'll have one of our technicians contact you to set up a time that's convenient for you! You don't want to be this guy, so give us a call today at 587-200-4854 and let us help you with your garage door and garage door repair needs.
