

Law Offices of Jason W. Stern and Associates

108-18 Queens Blvd., 902 Forest Hills
11375
United States

Phone: 7182612444
Fax: 7182612444

Our NY estate litigation attorneys have more experience litigating complex paternity cases on behalf of non-marital children than any other firm. That particular knowledge of this highly specialized area of law enabled the recovery of tens of millions of dollars in NY estate assets by our firm on behalf of children whose parents were never married. In fact, Jason Stern and Matt Hunter are currently engaged in the litigation of one of the largest paternity estate battles in United States history, in excess of two hundred million dollars.
