BACKGROUND OF FIRMThe Firm, set up in 1978, is operating from Dubai, for more than 37 years and renders a wide range of professional services. The Firm is associated worldwide with JHI - a leading international association of independent business advisors, financial consulting and accountancy firms, with offices in the Americas, Europe/Middle East/Africa and Asia-Pacific. JHI is a growing global network of highly-regarded independent accountancy, business advisor and financial consulting firms providing accounting, audit, tax and business consulting services in a wide range of industries for clients doing business across international borders. The leading association of its kind, JHI exists to enhance the ability of member firms and their clients to drive business locally and internationally through a variety of distinctive programs and services that advance our organisation as a single and unified global brand. The clients of JHI member firms leverage the unique benefits of international co-operation between members of a global organisation of accounting and business advisors. JHI member firms requiring assistance for their multinational clients concerning tax, accountancy and other financial issues in countries worldwide have global access to knowledgeable financial counsel and solutions through JHI peers. Member collaboration and teamwork is based on strong personal relationships and business synergies developed through JHI to ensure reliable client service and success in capitalizing on cross-border and international opportunities

that realize client business objectives. With offices around the world in 55 countries and 120 member firms, JHI is a leading global association supporting the development of its member firms by facilitating communication, exchange, networking and resource sharing worldwide. Its members benefit from global networking through regional, international and specialised conferences while maintaining total practice independence. The Firm is also a member of TASK International - one of the 23 networks that are members of the Forum of Firms. The Forum is an association of international networks whose objective it is to promote consistent and high quality standards of financial and auditing practices globally.

SERVICES OF FIRM The Firm's diversified services include : Audit of traders, manufacturers, contractors, exchange companies, banks and other diverse business entities. Preparation of feasibility study report for business establishments and industrial projects. Accounting systems implementation, management services and other business consultancy services, including financial, tax and investment planning. Formation of companies/establishments in UAE and its Free Zones, formation/administration of offshore companies and trusts and rendering secretarial services. Liquidation of Companies.
