One of the largest GM dealerships in the UAE, Liberty Automobiles Co. was established in 1976, as an authorized General Motors dealer for Cadillac, Chevrolet and AC Delco. Over the years, Liberty Automobiles Co., has played an integral part in the growth of General Motors, and emerged as one of the leading distributors in the entire region. In February 2002, Liberty was appointed by General Motors as authorized distributor for Opel in Dubai, Sharjah and the Northern Emirates. The Liberty dealership in Sharjah built the world's largest GM showroom in 2004. Liberty Automobiles Company was appointed the authorized distributor for the prestigious Hummer brand in November 2005. Liberty Abu Dhabi Automobiles Co. - the partner company of Liberty Automobiles Co., was established in Abu Dhabi in November 2005 as the authorized dealer of Cadillac and Hummer brands in Abu Dhabi and Al Ain, where the two brands are supported by large Showrooms, Service and Parts facilities. The spectrum of services is geared towards providing an outstanding car-buying and ownership experience - across a wide range of products and services - which include the new-car-buying experience, leading edge Service Centers, a Replacement Car facility for Service customers, well stocked Parts Sales Centers, a reputable and reliable Used Car Dealership, 24/7 Roadside Assistance that's just a phone call away and a unique customization and after market kitting facility under the banner of Liberty Motor Sports (LMS) (see links below). Other brands offered by Liberty are: AC Delco Parts and Service Centers, Kawasaki Motorcycles and ~~Watercraft, Otokar Buses and Coaches and Designline Zero Emission and Hybrid~~
