Rapid Cool Group (RCG) of Companies began its operations through a trading division (Rapid Cool Trading Co. LLC) in 1995 in Dubai, UAE. Rapid Cool Trading Co. LLC's core activities include representation of renowned European and North American MEP vendors. The company's founders had a vision to nurture and grow the Rapid Cool Brand into the leading providers for all HVAC related equipment. RCG made its presence in the international world by opening its first branch in USA in 1999. An independently run company today, Rapid Cool Trading USA focuses on providing turnkey solutions to Original Equipment Manufacturers (OEMs) in North America. Meanwhile as the Dubai office began gaining momentum in the Gulf, two additional branches opened their doors in Sharjah and Abu Dhabi. RCG's vision to be the leading provider for HVAC equipment was further strengthened with the launch of an industrial division in 2012
