Our Company Advanced Building Systems was formed in 2007, although it operated since 1996. under the name of Arab Technical Establishment (IND. DIV).ABS since its formation has been a leader in the supply of Thermal Insulation & Precast Concrete Accessories. During the fifteen years of its operation ABS has built a large base of satisfied customers both locally in the U.A.E. & across the Arabian Gulf.We are proud of our customers trust & we know that the only way to gain & keep this trust, is to continue supplying products of excellent quality at reasonable rates.ABS in recent years has also joined hands with first class manufacturers both locally & overseas to develop & manufacture up-to-date products to meet our clients never ending strife for excellence.ABS always tries to provide its valued customers with updated information concerning new products & methods, thus assisting them to further reduce their production cost & improve product quality.Email: suheimat@emirates.net.ae

Contact Person: Mr. Ziad General Manager
