As one of the UAE's leading brand names, the Saeed & Mohammed Al Naboodah Group consists of more than 20 companies, offering a diverse portfolio of services and products throughout the UAE and GCC in four key business sectors - construction, commercial, investments and real estate. The family owned business is run independently as well as in partnership with some of the world's leading brands. Having been in operation for over 50 years, we will continue to be defined by our proud Dubai heritage and unwavering commitment to customer service, the welfare of our employees and respect for our community.
