promotions and branding, new media like social media, twitter, logo design, exhibitions and events, advertising, direct mail and editorial design. Advertising agencies manage print, audio visual, internet, PR, outdoor advertising and much more to integrate an advertising plan with its objectives and connect it to the target audience. Advertising agencies help in creating and delivering creative outputs for the message intended to make a business or a product succeed with the consumers.<http://uaebusinessdirectory.com/arab-info-and-public-relations-e.html>
