Our Firm, Kannan & Behl (established in 1978) restructured in 1997 as Behl, Lad & Al Sayegh (BLS) has emerged as one of the prominent medium-sized Auditing Firms in Dubai (UAE) serving over 600 local, regional and international clientele. We feature on BBC World and BBC Prime channels as one of the two audit firms recommended by BBC in their Dubai City Guide. By merging the resources, experiences and expertise of our three partners into a single entity, BLS has emerged as one of the most sought after service providers in its field, meeting the varying needs and demands of our clients in the local, regional and international markets. By increasing our manpower and professional capabilities, we have been able to meet the high expectations of our clients. We are well recognized as one of the 'top 15' auditing firms on the approved list of auditors of local banks and various free zones. In the UAE, we are approved by DIFC to provide auditing and accounting services to companies registered with DIFC.
