Waterman, founded in 1978 , is a specialized engineering firm undertaking turn-key projects in the field of water treatment, swimming pools and fountains in the Middle East.We take great pride in representing our suppliers from various parts of the world. Our suppliers have a proven track record in implementing stringent quality controls in their manufacturing processes, thereby qualifying them to register with major institutions such as the ISO and WQA. This in turn helps us provide the best products and efficient after-sales service to our customers.Due to our on-going belief in quality we have been able to pre-qualify and register with various Government departments, ministries and municipalities"Waterman" is a firm believer in good communication. Our support and sales staff can be reached easily via e-mail, by fax or by telephone.As a customer of ours, we see to it that your questions do not go unanswered.Customer Information : info@waterman.aeSales Inquiry : sales@waterman.aeTechnical Support : support@waterman.ae
