Ramesh Hira LLC, was founded in 1980 in United Arab Emirates by Mr.Ramesh Hira, an enterprising HVAC engineer from India. Ramesh Hira LLC, is an HVAC distributor in the Middle-East based out of the United Arab Emirates, the trading hub of the gulf. Since the foundation, the company has been focused on serving all commercial, residential and industrial projects in the Middle-East & Africa thru established MEP contractors that implement the jobs. With the 25 plus years of experience on coverage of areas such as Qatar, Oman, Bahrain, Saudi, Egypt, Kuwait, Jordan, Kenya the company has established a strong and loyal distribution network and customer base.
