Nael & Bin Harmal Hydroexpert Establishment is one of the most versatile and successful contractors in the U.A.E., consistently reporting annual revenues in excess of AED 500 million in construction projects. The company is consistently ranked the top infrastructure contractor by Abu Dhabi Municipality and is listed with all major clients. Founded 19 years ago, NBHH is today the choice partner for many clients, known for its quality of work and non-wavering commitment to completing a multitude of diverse projects successfully. The full breadth of the company's human resources and expertise is a source of continued strength as we expand throughout U.A.E. and the region.
