Arabtec Construction L.L.C. is the leading construction company in the United Arab Emirates. Since its launch in 1975, it has executed a diverse and far-reaching portfolio of major construction projects in all sectors of real estate and infrastructure. Today, the company encompasses an array of plant and state-of-the-art equipment as well as a multinational team of more than 52,000 highly qualified staff. Our clients recognise our commitment to deliver the highest quality work on schedule and within budget. In meeting these objectives, we consistently place our emphasis on health, safety and the environment. Arabtec has been awarded Quality Management System and Environmental Management System ISO certification and is certified by OHSAS for its Safety and Health Management System. Stringent procedures are enforced at every step of every job as we continue our drive to improve performance and exceed client expectations.
