Al Numairy Medical Center was established in 2008, by the expert in plastic surgery Dr. Ali Numairy, who is the founder of Gulf Specialty Hospital in Dubai, since 1996. AMC gathers specialties and expertise centralized around health and beauty, starting from Plastic Surgery, Dentistry, Weight Management, Dietetic, Hair Removal, Body Shaping with machines such as LPG and ALICE, and Gynecology. AMC is staffed with highly skilled, experienced and professional doctors, technicians, nurses and receptionists. The strategic location of our Center, our professional service, and our competitive prices make AMC one of the best centers in the field. AMC's vision is the physical, physiological and inner well-being of our patient / client
