International Documents Clearing & Typing Est (IDCE), located in the heart of Dubai City- U.A.E, is an elite Business and Management consulting firm specializing in setting up new Business and any type of activities relating to Business Setups. Today, IDCE has emerged as one of the most respected business provider consulting firms in the region, with a comprehensive portfolio including Business setup and Financial Consultancy know how, having clients worldwide, who have already having business markets in Dubai and all over U.A.E. IDCE's experienced consultants conduct demanding services offered for New and existing Business Set Up, providing Investors for Business and consulting in Business management.

Expertise at IDCE Consultants is continuously upgraded to meet the demands of a growing and sophisticated business environment. Moreover, this sophisticated expertise is always coupled with a drive to understand each client's unique needs and goals. The result is a wide spectrum of satisfied clients, from high-net-worth individual to corporate, from trading houses to diversified groups, both local & International.

At IDCE Consultant, experience has taught us that clients appreciate our holistic approach; efficient, cost effective and personalized professional services as pro-active business advisors. With among the lowest staff turnover in the business, our consultants develop deep familiarity with clients and their businesses. Advice offered therefore is always specific, and helps clients anticipate their future needs as well as plan every stage of development.

IDCE Consultant continues to exceed the expectations of its clients. With its growing number of satisfied clients, IDCE's reputation for excellence makes it one of the most highly sought after Business management.

Our strength lies in our expertise and knowledge of the industry and an in-depth understanding of the crucial elements which contribute to successful programs. Our Management Team (better known as Teammates) are professionals and ingenious executives with extensive experience in Business management, marketing and excellent public relations skills. We are committed to provide the highest quality service possible.

Our field consultants have the specific product expertise to help you avoid costly mistakes and lost time while allowing your Business to be effective as quickly as possible.

We decided that our service have to be distinguished in order to differentiate ourselves from the rest. The way we have promoted and managed our events have been very creative and prolific.

So good, that our competitors are now following our footsteps...

The company introduces a New Package designed specially for transit / visit businessmen in Dubai, which enables the client to have all his business office work done in Dubai or anywhere in U.A.E with or without his presence ensuring the safety of the business of the client at all levels.

Core business advice, qualitative solutions that work, personal and comprehensive services, a commitment to client's success, an extensive network; at IDCE this is an offer. If you believe that these are the commitment that you are looking for, looking no further, IDCE promises you service beyond your expectations.

To provide the highest level of efficient, cost effective and personalized professional services. To provide qualitative solutions that assist our clients at every stage of

development to achieve their business targets.
