Message from Management We would like to take this opportunity to introduce FALCOR Engineering & Contracting services, a well-organized establishment in the United Arab Emirates Based in Abu Dhabi. In 1979, "FALCOR" team and management, previously operating under the name Dhafir Engineering Services, started operation within the area and the main role was the supply, Installation & Commissioning of Electrical, Instrumentation, Electro-Mechanical Equipment, Manpower Supply and Drafting/Design. Today FALCOR is fully backed up with sales and technical staff with a large experience in the oil/gas industry. Our engineers have extensive field of hands on experience that allows us to provide expertise based on the highest technical standards with a practical approach to operational and maintenance requirements. We have been working closely with well-known principles, manufacturers, and suppliers committed to quality and service in all fields related to our core business. We are therefore committed to the Total Quality Management concept. Since the beginning FALCOR has participated in oil/gas projects and has reference with ADCO, ADMA-OPCO, ADNOC, ADGAS, GASCO, ZADCO, FERTIL & TOTAL, with whom we have participated in major projects. We are also in close interaction/association with most of Engineering & Contracting companies like TECHNIP, ABB, BECHTEL, STONE & WEBSTER, SNAMPROGETTI, etc.

Contact Person: Mr. Mehdi S.A. Mebarek
