Al Falah Building Materials and Trading Company LLC was registered with Dubai Municipality in 1970, its operation commenced under the management of Mr. Zaki Farra in February, 1974. Due to the vision of its founders, Al Falah has grown from a very humble beginning into a flourishing company. Al Falah experienced staff are trained to handle each and every requirement of yours. You can expect dedication, attention to detail and prompt service from everyone at Al Falah. These qualities have made Al Falah one of the leading suppliers of finishing lines of building materials in the UAE. Today, Al Falah is fully geared to take the finishing lines of the building industry business into the new millennium.
