STARS FIRE & SAFETY EQUIPMENTS EST is established in 1997 with branches in Dubai and Sharjah. Over the years, the company has developed a professional team of technically trained staff providing quick response to the timely needs of our valued customers in fire protection. STARS FIRE & SAFETY is one of the few companies that has obtained the license and approval for supply, installation and maintenance of Fire protection systems in residential, industrial and oil field facilities from the Civil Defense. STARS Fire and safety undertake supply,

installation and planned maintenance of

1. Fire Extinguishers
2. Fire Alarm Systems
3. Hose Reel Systems with pump
4. Fire Hose Systems
5. Sprinkler Systems with pump
6. Kitchen Hood Systems
7. FM 200 Systems
8. Inergen Systems.
