Al Furat Refrigeration Devices Trading was established in the year 1988 to cater the high demand of the industrial refrigeration services with a professional touch. Though we commenced in a very ordinary profile we have achieved our position among the giants of the industry at an extraordinary pace. We are proud to be proven with a 25% of the total market share. The standing testimony of our customers is that one in every three mobile containers that ply the roads of U.A.E. bears the name sticker of Al Furat Refrigeration. We have cold rooms aged more than a decade been erected and well maintained by us in sound and satisfactory condition for our customer. We do ensure the 'Right Temperature' with the right maintenance of the customer relationship. Development was never hindered at Al Furat Refrigeration, as the encouragement of our customers and suppliers was abundant and adequate. We have professionals in each division who enjoys handling any sorts of requirement or circumstances that challenge their expertise.
