Being one of the major suppliers in the region in the field of water and sewage system equipment such as Pipes, Fittings, Valves, Manholes covers, etc. through representing major international companies around the world for the past 20 years. And coupled with our trained and fully equipped team members, We are proud of the level of success that we have reached, not only to the products, but also to our after sales services, Based on the healthy economy of the Gulf Countries Council (GCC) which was reflected to the Water and Sewage Infrastructure sector. And accordingly made a huge increase in the demand of the Ductile Iron Fittings and Manhole Cover in the area. Enhanced by our thorough study and extensive Experience.
