Welcome to Horizon Aluminium is a fast growing venture which began its operation recently. Partially owned by two groups the Investment Group (PVT) Ltd. 51% ownership and the Gulf General Investment 49% ownership. The aim was and still is to serve the U.A.E. and the GCC fast growing markets with the best facades engineering and architectural solutions and all other aluminium applications. Horizon factory is equipped with the latest German aluminium machinery technology (Elumatec) and fully computerized CNC machining centre. Horizon has also established a Double Glazing Line equipped with the latest machines for CNC glass cutting machines and structural bonding facilities.
