Reflection Hair & Beauty Care offers its clients spacious, quiet, comfortable treatment rooms. Soft soothing music in the background helps our clients totally relax and enjoy their treatment under the care of our trained staff. The Hair Salon located downstairs is where our Hair Stylists create the latest hair colours and styles for our clients. A dedicated area is set aside for nail extensions. The Reception area warmly welcomes our clients. Gift Vouchers are available, they make excellent presents and are well received. Accumulator Card Any treatment over 50 DHS. is rewarded with collectable points that can be redeemed for a free treatment when correct amount of points are obtained. Snips & Snaps We now, by popular demand, organize group mornings for friends or club members with a beauty therapist and hairstylist to answer your hair and beauty questions, show you our latest in technology and techniques and to serve you refreshments all free of charge. Group make-up lessons with refreshments can also be arranged (prices available from reception). Our manicures and pedicures can also be booked in groups of two or three friends. Hair COLOURS TO DYE FOR Vero Colours by Joico A little nervous about changing hair styles or colour? Let our expert hair stylists (UK trained) advise

you on this, our half hour consultation is complimentary. We offer cutting (including for children's hair), colour correction, highlights, perms, blow-dry and hair ups for that special occasion, hair repair treatments and all aspects of hair dressing. We use the exclusive range of Joico hair colours and treatments. The Colours are ready for you but are you ready for the Colours? Corrections Because of the experience and extensive training of our staff, Reflection is able to offer colour correction and treatment to colour- damaged hair. Don't let a disaster with colour keep you hidden at home when help is just a phone call away. Anti Aging Reflection specializes in effective anti-aging treatments. CACI - Micro Current Lifting System - works by combining a unique patented waveform with naturally occurring bio-electric current of the body to achieve instantly visible results on sagging muscle and skin tissue. The CACI treatment programme consists of a course of deeply relaxing sessions followed by a maintenance programme of just 8 to 10 CACI treatments each year. Futur-Tec - Skin Regenertor System - non-invasive and non-abrasive, Futur-Tec is the ultimate skin treatment system, effectively and painlessly tackling face and body skin imperfections, such as wrinkles, cellulite, stretch marks, pigmentation, blemishes, acne and scar tissue. A course of Futur-Tec treatments is recommended followed by a once a month maintenance programme. Microdermabrasion - the fine crystal mist gently refines the epidermal layer, the technique stimulates the micro-circulation to promote a health new layer of skin. Your skin feels and looks smoother and glowing. Face Facts - Anti-Aging Treatments at Reflections are both enjoyable and effective. Clients having had excellent results with our CACI non-surgical face lifting treatments are now obtaining even greater results alternating CACI with Future Tec. Future Tec uses Micro current, laser, ultra sound and vacuum to soften deeper lines, and encourage healing and regeneration. There are seven Future Tec treatments to choose from Anti Aging, Cellulite, Deep Wrinkle, Acne / Blemish / Pigmentation, Stretch Mark/Scar, Back Congestion and Aged Hands Treatment. Swedish Massage : Created by Dr. Henry Ling of Sweden in the 1800s, the benefits of this are relaxation, increased energy, improved skin tone and less visible cellulite. Chinese Massage : A massage concentrating on acupressure points and meridians with the

option of Chinese cups to accelerate lymphatic drainage. Peppermint Sea Twist Full Body Warp : This slimming body shaping treatment combines peppermint oil with seaweed to stimulate, rejuvenate and purify your skin. Helps contour and firm the body, great for cellulite. Emerge with an invigorating feeling. Seaweed Treatment : In this treatment a detoxifying, nourishing seaweed body mask is applied, followed by seaweed re-energizing body cream. After this treatment the skin feels smooth and firm. Body Polish : This natural cleanser and exfoliator is massaged on the skin helping to purify and slough off dead skin cells leaving the skin super smooth and moisturized. CACI Quantum : Quantum body treatments by CACI can be tailored to suit your needs from muscle toning (helps lift and shape), cellulite reducing or lymphatic drainage (reduces toxins) or to help relieve muscular back pain.Tel: +971 4 3454800      +971 4 3454834
