We take a great deal of pleasure in introducing E.H Creations L.L.C as a design company specialized in Turnkey Interior Design and FF&E(fixtures furniture & equipments).E.H. Creations design mission is to create places that reflect the natural beauty of materials and engage the sense of the people who will enjoy them. As a team of architects and designers, E.H. Creations approaches each project as a unique opportunity to converse with each other. This accomplished group of individuals holds degrees in Interior Design and Architecture, but most importantly, they love what they do.We always strive to provide a unique service that gives us a destined reputation which second to none. Our well equipped offices, experienced staff, references and professionalism, are major main reasons behind our remarkable and continuous progress.
