Established in 1995 the name Marina Galaxy Trading has become synonymous to exclusive designer boxes and displays for jewellery. We at Marina Galaxy Trading maintain a wide range of boxes for jewellery and watches, no matter whether it is for diamond, gold or silver. You just name it. Special attention is paid where the products like displays are to be customized according to the needs just to make our customers look out of the rest.

Marina G. Trading works hard to develop and maintain long-term relationship with its customers. This is reflected by the fact that our first customers are still with us today. We continuously work to provide best in customers' services. This is accomplished by offering the best price, product and service. Marina G. Trading is Middle East co-ordinators for some well known companies in the line of display and designer boxes like: E. Wilhelm Etuis, Germany.E Wilhelm Ltd., Hong Kong.Kling, GMBH, Germany.Winter & Company, Switzerland.
