In the United Arab Emirates, the activities of ExxonMobil's affiliates based in Abu Dhabi focus on oil development and production, while our affiliates based in Dubai market lubricants and petrochemical products. We are committed to playing our part in ensuring an energy future that will benefit generations to come. ExxonMobil is the world's largest publicly traded international oil and gas company. We hold an industry-leading inventory of global oil and gas resources. We are the world's largest refiner and marketer of petroleum products, and our chemical company ranks among the world's largest. We are also a technology company, applying science and innovation to find better, safer and cleaner ways to deliver the energy the world needs.
