Dubai Media City (DMC), part of Dubai Holding, is a tax-free zone within Dubai, United Arab Emirates. Since its official opening in January 2001, Dubai Media City (DMC) has grown to become a thriving business community hosting both global and regional media companies. It has been built by the Dubai government to boost UAE's media foothold, and has become a regional hub for media organizations including news agencies, publishing, online media, advertising, production, and broadcast facilities. The groundwork for infrastructure (such as fiber optic cables) was already laid for firms to set up easily and its visa and operational procedures are relaxed for firms operating within DMC.
