Arif & Bintoak Consulting Architects and Engineers are Dubai's premier local consultancy, with a glittering portfolio of landmark projects in the UAE and throughout the region. Established in 1975 by civil engineers Nabil Arif and Abdulla Bintoak, the growth of the firm reflects Dubai's own remarkable emergence as a global centre of design excellence and breathtaking architecture. The multicultural, global nature of modern Dubai carries through into the team, with world-class designers and technicians drawn from over 15 nationalities.
