We, Gulf Engineering & Consultants, are one of the leading Architects and Engineering Consultants in the Gulf. Our firm established in the year 1982 with unlimited license for Designing & Supervision and have offices in Dubai and Sharjah in United Arab Emirates and in Sultanate of Oman. We have the honor of participating in the development which the Gulf, especially United Arab Emirates has witnessed during the past two decades. We have designed a lot of different types of projects such as multistorey Commercial and residential buildings, Residential complexes, luxury villas, showrooms, factories, cold stores, warehouses, etc. for many private as well as Government sector.
