Founded in 1976, Architectural Consulting Group (ACG) has been a pioneering force in the planning, design and implementation of development projects around the GCC and Middle East region. With offices in Abu Dhabi, Dubai, Al Ain, Fujairah, Doha and Oman, ACG is one of the region's most sought after and respected multi-disciplinary consultancy firms. Flanked by over 200 client-oriented and multi-culture professionals that combine local knowledge and international expertise, our corporate hallmarks feature the innovative thinking, creativity and devotion that has allowed ACG to turn our clients' visions into realities. ACG's diverse portfolio includes residential, commercial, retail, office, entertainment, educational, institutional interior design and industrial projects. With a proven track record and solid reputation in architecture and engineering, ACG is renowned for its ability to successfully lead a project from conception and through handing over.
