KPS is a professional and dynamic Commercial Interior Solutions Company specialising in providing Interior Design, Fit Out, Information Technology and Furniture within the Commercial and Hospitality sectors. KPS has 20 years experience across the Middle East and has earned a reputation for consistently delivering Quality, Responsiveness and Convenience to over 1000 clients. KPS is an organisation you can trust and with a consolidated 100 million US Dollars turnover per annum we are considered leaders in our field of expertise. Our goal is to deliver the best possible working environment for your organisation. Simply put an environment that: Satisfies all your practical requirements. Reflects your organisation's personality and brand values. Inspires your people and enhances their well-being. Encourages efficiency and productivity and promotes success. KPS have long established offices throughout the region in Dubai, Abu Dhabi, Doha, Jeddah, Riyadh, Al Khobar, Muscat and Bahrain. In 2008 KPS opened the first office outside the Middle East in Sydney, Australia.
