CAN was founded in 1977 as a specialist rope access company. CAN has grown to a group of companies with wide geographical coverage providing an integrated range of services to the oil, construction, civil engineering, energy, marine and structural maintenance industries worldwide.

Today, CAN employs over 1,000 multi-skilled field personnel and support staff in: Africa, Europe, the Middle East, and the United States. With operations having spanned 40 countries, our core strength lies in the ability to draw significant resource from the group.

Our bases and respective service provision is as follows:
