Wisdom Institute is a leading Educational Institute in Dubai & Abu Dhabi approved by Ministry of Education, UAE, with permission to impart training for different educational programs and management development programs, operating for the past 18 years. Wisdom offers the highest level of technical expertise and regional experience to its valued clients in UAE through its institutes in Dubai, Abu Dhabi & Oman, and internationally, through the affiliation with premier institutes and universities of repute, in the fields of Finance, Management and Information Technology.

Wisdom Group is affiliated with reputed universities and professional Institutes having international accreditation. Wisdom is affiliated with Indira Gandhi National Open University (IGNOU), Madurai Kamaraj University (MKU), University of Kerala (UOK) Sikkim Manipal University (SMU) and Indian Institute of Materials Management (IIMM). Wisdom has also been affiliated with the Institute of Certified Management Accountants (ICMA) Australia and has signed exclusive MoU with Institute of Certified Management Accountants (ICMA) Australia for offering ICMA programs in UAE & GCC Countries. MoU has also been signed with the Institution of Civil Engineers, India for offering Membership programs from ICE, India which is

equivalent to Engineering Diploma and Engineering Degree in India. In UAE the University programs are offered thru the Free Zone Campuses operated by Wisdom Educational Group and the student visa is also available at the Free Zone Campuses.

For providing unique and excellent coaching for school students, Wisdom Group has been collaborated with Mahesh Tutorials, Mumbai, India.

Wisdom employs highly qualified professionals, who carry rich experience in various academic fields and always explores their potentials to achieve excellence and continuous improvement.

Student care facilities at Wisdom are of an exceptionally high order which reflects the professional approach followed by Wisdom. Wisdom Institute is an excellent model of cooperation and interaction with parents. Good rapport and mutual respect exist between the student counsellors/teachers and students. Students are given individual attention and support.
