Established in 1992, IAL Container Line (UK) Ltd. (IALCLUK), today offers multimodal transportation of containerized cargo and provides Supply Chain Logistics services across the Middle East, Indian Sub-continent, South East Asia and the Far East. The Company has a strong presence across 92 locations and has become one of the leading NVOCC operators in its service area. Since its inception, IALCLUK has proven its ability to provide excellence in service quality to its customers and is considered to be the leader in the Middle East - Indian Sub-continent sector. During 1993 - 1997, the company operated the vessels M.V. IAL Governor, M.V. IAL Premier, M.V. Premier and M.V. IAL President in short sea service. However, today the Company primarily operates ISO marine containers of different classes on slot charter using established feeder vessels operating in regional waters.
