We, Areen East & West established in the mid 1991 in Dubai -UAE, is an agent, warehousing and distribution organization trading in various domains and to serve the purpose of being the sole agents of reputable International Firms; specialized in selected unique products, helping us to be enlisted in all the pharmacies, supermarkets, hypermarkets, beauty shops and wholesalers spread all over the UAE. We have designed our operations, gathering an idol theme of management, boosting up great reputation for better quality, service, reliability and the profound relationships with our customers, widening the relation across the globe. We believe our hard work, and the trust, in return from our clients, propagate us in improving, aiming the best all the time and generate impressive results for both our suppliers and customers, and consider their problems as our own. We along with our whole community welcome you to Areen East & West.
