When we established INDEX Conferences & Exhibitions Organisation Est. in January 1991, we adopted a noble goal through our mission "Excellence & Continuous Development." By God's grace, today our National Organisation is one of the pioneers in organising Medical, Scientific, Educational and Trade Conferences & Exhibitions. INDEX has been recognized internationally for the high quality standard in organising international conferences and exhibitions in the United Arab Emirates and abroad and encourage the development of knowledge and education through highly specialised conferences." Our vision at INDEX is to continue to grow within the market and diversify its capabilities and business opportunities nationally, regionally and internationally. Through the contribution and devotion of our customers, staff, friends and colleagues, INDEX shall grow and lead the market.
