To enable Rollstud Limited to meet the varying requirements of the industry, we have installed a comprehensive range of machinery. This wide range of plant enables us to produce a "complete range of quality bolting" in house, in all materials such as: A193 B7, A320 L7 Inconel 718, 625 Stainless Steel Super Duplex Ferralium 255 Monel K500, 400 Across the broad spectrum of Rollstud's activities there is an abiding desire to maintain the highest standards. This is a fundamental to the company's philosophy and one of the qualities which has helped it to evolve to its present size.

∴ Jabel Ali
