Central Trading Company was established in 1957 and is the first company registered under the well known Al Rostamani Group. CTC prides itself on its long-term business partnerships and its customer focused strategies and wide distribution network. We are One Of The Most Valuable Players In The Automotive Aftermarket In UAE. Global brands such as Michelin, Castrol, Blue Star and AC Delco Batteries are part of its portfolio of 25 brands. The company's strength is a step ahead in the game due to the goodwill it shares with its dealers and customers, built through dedicated and trusted service over a span of 64 years. CTC's dynamic management has always fueled its appetite to identify new opportunities while continuing to innovate, grow and improve existing business.
