“Texmas”- Textile Merchants Group is the apex body of Dubai wholesale textile merchants. Established in year 1990, the formation of “Texmas” in the middle of the last decade was itself a landmark development for the textile trade in the UAE. “Texmas” offers its members in the UAE a platform to interface with the local government and its relevant bodies to enable bilateral cooperation to enhance and improve the reach of the textile trade industry. “Texmas” consists of 460 member organizations and collectively represent a trade network across more than 45 countries. In year 2010, it was estimated that textile trade in the UAE was valued at AED 12 billion.
