Ideal Legal Translation & Businessmen Services was established in Dubai in the year 1986. The main activity of the company at that time was to offer its clients translation & secretarial services. As time has passed, Dubai has become more and more attractive to the owners of both local and international companies who were looking at this city becoming an active bridge between the East, West and the Gulf. With the increase of business opportunities in Dubai, our company has responded to the demand of its clients and has included other services within its activities. These services have placed our company as the market leader in the field of our business.
