Deira Veterinary Clinic was established in July of 1986 and today's one of the biggest and oldest veterinary clinics in the UAE. Initially, it was located in Deira on Rigga Road which, at that time, was the "Champs-Elysees" of Dubai. With the expansion of the city, the clinic was relocated to Al Qusais, between Shaikh Mohammed Bin Zayed Road and Beirut Street. To be able to provide a better service, the premises now occupy a total land area of 320 square meters. The clinic facilities include: clinic private parking reception area Two consultation room surgery room dentistry section X-ray room recovery room grooming and bath section (Dermatology) Boarding facilities, or hospitalisation for short or long term : kennel, cattery, aviary, in addition to the facilities for rodents, fish, turtles, etc... play area of 80 square meters for small and big dogs. Only For Pets. Consultation, Treatment, Surgery, Dentistry, Grooming, Shaving, Xray, Microchip, Vaccination, Diet Advice, Home Visit, Kennel & Cattery.
