Dubai-Furniture-Direct.com offers a concept entirely based on the use of a vertical integrated business. • We produce Furniture in our own factories in Indonesia. • We pack and ship the goods to our distribution center in the Free Zone of Ras Al Khaimah (UAE). • We deliver and install with our own people in the UAE. The goal is to offer trendy, fresh style, quality furniture at "distributor prices" or "factory prices." We achieve this goal in reducing costs only. We do not use agents, third parties, distributors, retailers,... We do it ALL ourselves, and therefore are able to progress ALL savings to the end purchaser, while being able to maintain a profitable business. The internet will enable us to cover the all of UAE, where delivery (FREE) and installation can be properly organized by our skill labour (all from our factories).
