At GBULLION DMCC we supply gold to private investors, private companies and funds, allowing our clients from more than 160 counties to buy and sell physical 999.9 fine gold online. Users of the system are able to carry out operations with the minimum amounts of gold (from 1 gram), which makes it more affordable.

GBULLION acts as the custodian of the gold and deposits as well as insures it at a high security vault in Dubai (UAE). Upon request it is possible to have your gold delivered to any address in the world. Why buy from GBULLION DMCC? - our Internet platform is easy to operate; - we supply real gold, not paper; - we sell gold for Gold Spot Price with a minimum commission; - we guarantee a buy-back and do not charge any commission for it; - we offer free storage and insurance; - we are ready to deliver your gold to more than 160 countries all over the world.
