Welcome to the beautiful world of traditional and modern Indian Art. For over a decade Anjali's creations bring to life exquisite art works by integrating contemporary design with evergreen traditional styles in finest Tanjore paintings in which only 24 carat gold leaves are used. Besides this, we also specialize in 3D Relief paintings, mixed media painting, oil paintings, ceramics, miniature and marble paintings etc. Tint-N-Shade (the art world) bring you the most exclusive array of hand-made exotic items, gift articles and paintings suited for home décor, hotels, offices, gifts, celebrations or any other occasions. We are the Manufacturer and Exporter of paintings, oil paintings & innovative gift items. These add beauty and culture to a variety of surroundings and décor. Tint-N-Shade also imparts training in traditional and modern Indian Art.
